

2017 SUMMER CONFERENCE CALL FOR PRESENTATIONS

The 2017 theme for Georgia Chapter of the Association for Learning Environments Summer Conference is “BUILD TO GROW | BUILD TO LAST”. The theme seeks to engage planners in developing creative and innovative solutions that will provide a sustainable approach to design and construction. The lineup in 2015 was one of the best yet and we look to another outstanding lineup in 2017! With our Summer Conference quickly approaching, it’s time to open our **Call for Presentations**.

- June 11-14, 2017 Summer Conference at Callaway Gardens

Our goal is to provide presentations that challenge the industry to provide facilities that will provide Georgia Schools with high performance facilities that will withstand the ever evolving education environment.

We encourage you to submit your ideas for presentations no later than March 24, by 5:00 pm.

Please include the following information with your submission:

- Title
- Presentation Summary (please limit to one paragraph)
- Possible Speakers and summary of qualifications

All presentations should focus on educating school facility representatives and other attendees on new technologies, updated processes and procedures, innovative strategies, etc. that support our stated theme. We particularly encourage joint participation with school facility representatives where real-life strategies have been implemented. We encourage school facility representatives with interesting challenges and stories to share them with their peers through presentations, as well. Sessions should not have a commercial or sales-oriented focus.

Please send your submittal electronically by March 24, 2017 to **info@ga4i3.org**
